My Health Record

A screenshot of the Health Portal user interface. At the top, it says "Health Portal" and "Lester". Below that are four icons: Health Record, Medications, Appointments, and Profile. There is a "What's New" section with a notification: "You have new Report activity." Below that is a "Recent Visits" table.

Date	Time	Location	Department
Tue, Jul 16, 2013	10:13 am	Inpatient	Acute Care
Sat, Jul 13, 2013	10:04 am	Emergency Room	EMERGENCY CARE UNIT

At the bottom, there are links for "Contact Us", "Preferences", and "Terms & Conditions".

During your stay, a member of the CMC Portal Team will visit you to create your account.

Security Question Answer

All of Your Information, in One Place

The Health Portal for Outpatient and Emergency Services is an online tool that goes a step beyond simply displaying information by helping you manage your healthcare easily and securely.

How the Portal Works for You

Available at Your Convenience

We understand that that your time is valuable. The Portal makes time-consuming tasks simple... a few clicks, and you're done.

- Access complete health information online, versus over the phone or in person
- View Discharge Instructions
- View Visit History
- View lab and radiology results
- Review medication list

You Choose the When and Where

Access to the Portal is on your schedule, whether at home, on vacation, or at another medical office.

- Use the Portal from anywhere using a browser
- Access from your smartphone or tablet
- Manage information 24X7, without waiting
- Print out your lab results, imaging results, discharge instructions and medications lists at your convenience

Keep the Most Important People in the Loop

You can access your latest health information and keep your family informed at the same time.

- Give authorized family members access to your health information
- Get access for your children under the age of 13
- Manage Information for the entire family through one secure account
- Print out lab results, imaging results, discharge instructions and medications lists for your loved ones at your convenience

FAQs: You Have Questions, We Have Answers

Where does my health information in the Portal come from?

All of the information in the Portal comes from your Coulee Medical Center Outpatient and Emergency Services Electronic Health Record. This ensures that you have access to the most accurate, up-to-date information possible.

Is my information safe?

Yes. Portal passwords are encrypted and URLs are re-written so that they cannot be copied and pasted.

How do I log into the Portal?

To log into the Portal, visit the Coulee Medical Center website at www.cmccares.org and click on the

Patient Portal  link in the upper right corner.

Next, click on the  Health Portal link.

Then, simply enter your user name and password provided to you by our Portal Team Member during your stay.

What if I ever have technical problems with the Portal or other questions?

Please, contact us at **1-855-663-8276** with any questions or issues. One of our specialists will be happy to assist you.
